- ♣ Be aware, be courteous, smile!
- ♣ Keep dogs under control; carry a leash to use if needed.
- ♣ Let others know when you are passing.
- ♣ Allow faster trail users to pass.
- ♣ Ride at a safe speed for ALL trail users.
- ♣ Teach children trail etiquette.

Care for our Trails:

Trails are a tremendous community asset and we want to be sure they are maintained for everyone's enjoyment and safety.

- ♣ Keep it clean - use a trash/recycling can or pack it out.
- ♣ Clean up after your pet. There is no poop fairy but there ARE plenty of pet waste stations and trash cans along the way!
- ♣ Respect the neighboring plants and animals.
- ♣ Avoid impacting dirt trails after rain or snow.
