Trip fees and difficulty factors may apply in addition to fees listed above. Please see Trip Fee Rate Matrix for details.

Bulky item fees in excess of free pickups included in residential service subject to additional fees based on the Extra Can rate for residential trash. See Bulky Items section for details.

Some commercial services subject to route scheduling availability.

<sup>1</sup> These rates apply to residential customers whose solid waste services fees are direct-billed in lieu of collection via property taxes and to direct-billed Commercial customers.

<sup>2</sup> Extra can rate may also apply to excess from overflowing cans, loose cardboard not in a blue bag or recycling cart, untied or contaminated blue bags, or blue bags placed inside a trash container.

<sup>3</sup> Legacy rate, only applies to legacy customers and special circumstances. Not available to all customers.

<sup>4</sup> Service available seasonally, May - November. Commercial customers must subscribe to full season for yard waste service. Initial cart delivery/set-up fee applies. Additional distance charge may apply to commercial customers not proximate to an existing yard waste collection route.

<sup>5</sup> In excess of one (1) exchange per six (6) months.

<sup>6</sup> May be discounted or pro-rated for reasonable messes at the discretion of hauler.

<sup>7</sup> Green Waste Debris Box rate adjustments calculated through separate methodology detailed below.
