

## COMMUNITY DEVELOPMENT DEPARTMENT

**Subject:** Outdoor Solid Fuel Burning Appliances

**Issue:** Chapter 7.03 of the Municipal Code regulates the types of solid fuel burning appliances that may be installed within the Town. It is unclear whether these regulations apply to outdoor solid fuel burning appliances such as fire pits and fire rings. This policy clarifies whether outdoor appliances are subject to the regulations of this Chapter.

**Reference:** Section 7.03.020 (Installation of Solid Fuel Burning Appliances)

**Policy/Procedure:** Outdoor solid fuel burning appliances (e.g., fire rings, fire pits) shall not be subject to the requirements of Section 7.03.020. Only one outdoor solid fuel burning appliance shall be allowed per residential lot; the appliance shall comply with all applicable requirements of Title 15; and the appliance shall comply with all applicable ordinances of the Truckee Fire Protection District.

**Effective Date:** July 17, 2007
